POSITIVE PSYCHOLOGY, PERSONALITY & SELF-ESTEEM

This group will focus on lifting self-esteem and finding a more contented and happier way of being through learning about your personality type, Positive Psychology approaches, and Mindfulness skills.

Positive Psychology is the study of happiness. What makes us happy? What can we do to enhance our happiness? And in the words of Martin Seligman, author of *Authentic Happiness* (2002) "Authentic Happiness comes from identifying and cultivating your fundamental strengths, and using them everyday in work, love and play." (*Authentic Happiness*, 2002 by Seligman).

Practicing Mindfulness is a way of reducing stress and developing a greater balance in life. Learn breathing and body scan relaxation techniques as well as thinking styles which focus more on the
